Luminaris Shutters provide the perfect blend of elegance, durability and modern functionality.

The shutters are manufactured using the highest quality outdoor grade PVC. The material will resist discoloration from UV exposure as well as chipping, cracking, and warping. All plastic components and accessories are manufactured using the same fire-retardant, color-matched material resulting in a uniform finish.

In addition, our shutters are reinforced with an aluminum skeleton delivering years of trouble free, maintenance free operation. All Luminaris Shutters are backed by our 15 year Limited Warranty.

**Perfect view**

Every Luminaris Shutter is custom made to fit your window and to suit your decor. Choose Perfect View for a contemporary look that allows operation with merely a touch or Classique for a more traditional look. Available in a choice of frames as well as louver sizes, these shutters will add style, character and warmth to any room in your home. These Shutters are ideal for high humidity environments such as bathrooms and kitchens and will be simple to maintain with regular dusting and washing with soap and water.
